Measurements:

- Lovely Lavender January 2024 Paper Pumpkin Refill – half of a Highland Heather card base for Perennial Postage Die
- Highland Heather Cardstock – card base full sheet will make 2 cards. In landscape position make a tick mark 3" up on the left side and 5 ½" up on the right side. Connect the 2 tick marks with a light pencil line and cut on pencil line with Paper Trimmer.
- Perennial Lavender Designer Series Paper – 3 different patterns as shown in photos
 - Floral 4" x 5 ¼"
 - Gingham 3 1/8" x 4 ¼"
 - Crumb Cake leafy stripe 3 1/8" x 3 ½"
- Basic White for sentiment section 3 1/8" x 4 ¼"
- Gorgeous Grape Cardstock – 1 ½" x 4 ¼" for two die cut lavender sprigs
- Shaded Spruce Cardstock – 2" x 4 ¼" for one die cut leafy branch
- Basic White Cardstock – 3" x 4 ¼" for bunch of stamped lavender and coordinating stems die cut out

Assembly:

- Cut Highland Heather Card Base sheet into two. On one card base, score at 3 3/8" from the narrow end and 4 ¼" from the tall end to create the Z Fold. With bone folder, burnish the fold lines.
- With Basic White Inner Layer, position the base of the cardstock piece at ¼" from the bottom edge of the section and trim off the top edge of the cardstock along the sloping edge. Referring to the photos stamp the "Thinking of You" in Gorgeous Grape ink. With that angled piece of Basic White, affix with adhesive so you have 1/8" margins around all sides.
- With each piece of Perennial Lavender Designer Series Paper (DSP) per card section, position the base of the DSP at ¼" from the bottom of the cardstock section and trim off the top edge of the DSP along the sloping edge. By doing that angled cut, you will now have 1/8" margins around all sides of the DSP when it is affixed to that card base section.
- With half of the mottled purple card base from the refill kit, stamp "Happy Mother's Day" with Gorgeous Grape ink, then die cut with Perennial Postage die.
- Next using the Painted Lavender Stamp Set and Dies, stamp the Highland Heather bunch of lavender and Shaded Spruce stems on Basic White, then die cut out. With the Gorgeous Grape piece, die cut 2 lavender floral stems. With Shaded Spruce die cut the branch. Assemble as shown in the photo and attach to the back of the stamped postage tag.
- Raise the tag up with mini dimensionals and apply to the front card section. With two strands of Linen Thread, tie a bow and affix with glue dot as shown in photo. Finish with one Brass Butterfly and one Gorgeous Grape Glossy Dot.
- Apply a 2 ¼" x 6" piece of your choice of pattern of the Perennial Lavender DSP to the Basic White Envelope flap. Trim off excess.
