Instructions:

Inner Card Layer:

Stamp Happy Birthday greeting in Memento Ink. Stamp two balloons, one in Granny Apple Green and one in Pool Party. Adhere Basic White Inside Card Layer to the inside of card base. Punch out and glue 3 ovals together and add 2 dimensionals and place as shown in photo for easel stop.

For the Outer Card front:

Adhere Layer 1 - Basic Black cardstock to card base.

Layer 2 - With Blending Brushes, color both pieces of the DSP with Pool Party ink.

Adhere Layer 2 – Zoo Crew DSP to Layer 1 on card base.

Adding the 3 Animals:

Fussy cut out one racoon, elephant, and dog images.

Punch out the 3 smooth ovals for the accent to place the animals on.

Color the Racoon with Light Copper Clay Blends and follow with Light Basic Black Blends. Add Dark Petal Pink to the racoons belly.

Color the Elephant with Light Smoky Slate Blends and go over with Basic Gray watercolor pencil.

Color the Dog with the Light “Medium” Brown Natural Tone Blends.

Glue each animal to the oval punched base.

Add dimensionals only where necessary because part of each animal will not have adhesives above the middle fold when the easel stands up.

Using the photo as reference, adhere elephant first in center of lower portion. Then add the raccoon and dog.

Celebration Tag: Stamp greeting on Basic White and punch with 1 1/2” punch. Punch out Basic Black circle with 1 3/4” punch. Adhere layers together and raise up with dimensionals. Place on card front as shown in photo. Add one Rhinestone as shown.

Decorate your Basic White Medium Envelope as you would like for a fun matched set.
