MEASUREMENTS:

- Cherry Cobbler Cardstock 5 1/2" x 8 1/2", scored at 4 1/4"
- Basic White Cardstock (2 pieces) 4" x 5 1/4", 3 1/4" square, 3" square for Old Olive ink & Blending Brush, 2 3/4" x 4" for 3 paintbrushes, 1/2" x 2" tag
- Regal Distressed Patterns Designer Series Paper (DSP) 3 3/4" x 5"
- Red Glimmer Paper for BELIEVE 1" x 3"
- Cherry Cobbler 3 1/8" square
- Regal Distressed Patterns Designer Series Paper (DSP) (White Gold Pattern) for Envelope Flap 2 1/4" x 6"

INSTRUCTIONS:

- Prepare Cherry Cobbler Card Base, score as noted. Adhere Inner Basic White cardstock layer to card.
- Adhere the Basic White cardstock layer and the Regal Distressed Patterns Designer Series Paper layer to the card front.
- With Red Glimmer Paper and Adhesive Sheet, Die cut out "BELIEVE" using Mini Alphabet Dies.
- With Memento Tuxedo Black Ink, stamp the 3 paintbrushes on 2 3/4" x 4" Basic White piece. With 1/8" hole punch, punch the holes in each paintbrush handles. Color paintbrushes using Light and Dark Cherry Cobbler Stampin' Blends Alcohol Markers.
- With Petal Pink Cardstock die cut oval noses from the Suit and Ties Dies. With sponge dauber add a little Cherry Cobbler ink on lower half of nose. At this point use the Wink of Stella pin to add the glitter wash on the front of the 3 paintbrushes. With Mini Dimensional affix nose to each paintbrush. Add green rhinestones for eyes.
- With the 1/2" x 2" Basic White for tag, stamp "HO HO HO" in Memento Tuxedo Black Ink using the Sending Cheer stamp set. With paper snips cut angles and banner end on tag. Punch 1/8" hole at top of tag. Attach the tag to one paintbrush handle with Red and White Baker's Twine.
- Add more Red and White Baker's Twine to the other two paintbrush handles referring to photo. Place Mini Dimensional on the back of the tag. Wait to place later in these instructions.
- Adhere the Cherry Cobbler 3 1/8" square to the Basic White 3 1/4" square. With the 3" square of Basic White, use the Old Olive Ink and Blending Brush to create a light background for the paintbrushes and word. Adhere this brushed/inked layer to the other two square layers.
- Affix the "BELIEVE" at the base of the triple layered square. Now add the snowflakes to the card front making sure they do not hang over the card's outside edge. Raise up the triple layered square on Dimensionals and affix as shown in photo.
- Finish the card front by placing the paintbrushes as shown in the photo with the center one flat but now peel off the backing of the Mini Dimensionals and affix on card front as shown. Place the outer two raised on Mini Dimensionals.
- Adhere and trim the DSP for the Basic White Envelope to match.
