Instructions:

1. Cut your Blackberry Bliss base cardstock to 8 ½" x 5 ½" and score at 4 ¼". Fold and burnish your card base with a bone folder to ensure a crisp fold. This will help your card stand up and stay closed!
2. Cut a piece of Thoughtful Journey Designer Series Paper (DSP) 4" x 5 1/4".
3. Stamp your "Sending Warm Wishes" greeting from the Notes and Totes stamp set on the DSP with Memento Tuxedo Black Ink.
4. Adhere the stamped DSP to the card base.
5. Cut and adhere an inner layer of Basic White 4" x 5 1/4".
6. Apply 5 Two Tone Sparkle Gem Embellishments.
7. *Optional:* You can also decorate your envelope flap with a 2 ¼" x 6" DSP piece and trim off the excess if you'd like.
8. Send your card off to someone special!

If you have any questions, please feel free to reach out to me, my contact information is on the front of this sheet.
