MEASUREMENTS:

- Card Base - Assorted Colored Cardstock 5 1/2" x 8 1/2", scored at 4 1/4"
- Basic White Cardstock 4" x 5 1/4" for inner layer, 4 scraps of Basic White large enough for the heart die you are cutting.
- Made with Love 12" x 12" (DSP) – 4 different patterns cut at 4" x 5 1/4", 4 Inner Layer strips each 1/2" x 4", and 4 Envelope Flaps each 2 1/4" x 6"

INSTRUCTIONS:

- Prepare all four Card Bases, score as noted.
- Adhere Inner Basic White cardstock layer to card. Adhere ½" x 4" strips to each inner layer.
- Stack all 4 DSP layers and use Paper Trimmer to cut the following: First Cut – vertical at 2 ¾". Then turn both sections horizontal. Cut one section at 3" and cut the other section at 2".
- Using the photo as reference arrange each card front as shown, so that each front has the 4 different DSP prints chosen. Starting in the upper left corner of your card base, adhere the upper left section first with 1/8" margins on the top and side, followed by the lower left section butted up to the upper right section which should result in 1/8" margins also. Continue with the upper right section, ending with the lower right section. Repeat this process for each of the 4 cards.
- With your Basic White scraps die cut the 4 hearts you chose. With the Sweet Sorbet ink stamp the Endless Love "XO" on each heart. Then adhere the hearts to your chosen doilies. Cut 4 pieces from the adhesive sheet that will fit on the back of the doily & heart layer. Affix each doily-heart combo to the card front where you think it looks best.
- Affix 1 of the Gem embellishments to each heart using the Take Your Pick Tool.
- Adhere and trim the DSP for each Basic White Envelope to match.
